

We are pleased to announce the appointment of **Ms. Andrea Hemopo** as Warehouse Supervisor who will join **Mr. Gary Faessen**, General Manager, in overseeing the day-to-day operations of our Hastings, New Zealand facility.

Andrea brings to the Everest team over 20 years' experience in the warehousing and distribution industry. She is managing the Everest team to ensure all of our customers experience the highest level of service standards.

Mr. Faessen rejoined the Everest team in February, 2020 as General Manager. Gary previously worked with Everest in various managerial positions for a period of 6 years.

We are currently in negotiations to construct a state-of-the-art facility in the Hastings area.

Everest Kool Solutionz, through its parent company located in Canada, has extensive knowledge and experience in the design and construction of temperature-controlled facilities.

Everest is a public refrigerated warehouse ("PRW") company focused on providing third party logistics services in the temperature-controlled market. Everest is focused on becoming a leading provider of temperature-controlled storage and logistics services to frozen food processors, distributors, foodservice providers and retailers.
